BAR HILL POST OFFICE – UPDATE

Here is the text of a letter sent to Roger Hall:

“

23 June 2014

Dear Cllr Hall
Bar Hill Post Office Branch, Bar Hill Library, Gladeside,
Bar Hill CB23 8DY
Proposed move to new premises and branch
modernisation

I'm writing further to my letter dated 16 June 2014, in which I advised you of our proposal, subject to consultation and the appointment of the new operator, to move the above Post Office to new premises located at Tesco Stores Ltd, 15-18 Viking Way, Bar Hill CB23 8EL.

I'm now writing to let you know that the proposed new operator has decided not to progress their application to operate the branch. The local public consultation period on the proposed relocation of the branch has therefore ceased with immediate effect and the branch will continue to operate from the current site at this time.

Thank you for your time taken in this matter.

Yours sincerely

Julia Marwood

...note...note...note...note...note...note...note...

I have been approached about implementing a “Births, Deaths and Marriages” section in the Bar Hill News. I'm very happy to do so – perhaps on the back page under the Events Calendar – but I will be entirely dependent upon readers/residents to furnish the information for this section.

Do please get in touch if you have any comments, or information you would like published.

NEIGHBOURHOOD WATCH

Congratulations to Nathan, Allen and Sophie for winning our Treasure Hunt at the fete. Plus special thanks to RedLocks Locksmiths for donating the two extra prizes this year.

Our latest village circular leaflet was delivered during July – please take note of its advice, including not leaving accessible windows open or exterior doors unlocked.

Remember – Criminals don't take a holiday from their business, except at our expense.

If you are going away a few simple steps will hopefully stop your holiday being spoilt.

1) **Make your house look lived in:**

- ☉ use timers for lights and radios;
- ☉ ask a neighbour to park on your drive and push post right through your letter box;
- ☉ see if they will also put out/take in your wheelie bins.

2) **Don't advertise you are away:**

- ☉ cut your lawn before you go;
- ☉ cancel milk deliveries etc.;
- ☉ avoid commenting on social media about being away.

Wishing you a safe and happy August, wherever you are.

HAPPY HOURS – NEWSLETTER

Our outing took us to Grantham in the morning, home to Isaac Newton and Margaret Thatcher, then on to Easton Walled Garden nearby. A very large estate being lovingly restored by the present owners, it was a very pleasant place to wander and enjoy. This was followed by tea and cake sitting in the sun or shade of the pergola.

Our speaker this month was Rex Freeman who talked about "Growing Old Disgracefully", not quite what it sounds – just ways of keeping yourself busy, trying new things, joining in; all things which help keep your mind active and old age at bay.

We held a very successful stall at the Fete, raising money towards members' Christmas lunch. The monkey whose name was "Bananas" was won by Lisa.

Dear Editor

I'm writing from Wood Green to ask whether you can help with rehoming of a couple of our longest residents.

Buddy is a 5-year-old Terrier who arrived at Wood Green in November 2013. He came in with a skin condition which left a lot of his back sore and hairless. The hair is now growing back and he's feeling much happier. He's a sweet and affectionate boy who deserves a loving family. He could possibly live with a female dog, a bold cat and/or children over the age of seven.

Lilly Allen is a gorgeous tabby cat who has been with us since September 2013. She was living in a small flat with a family who unfortunately didn't have time for her. She's only six-years-old and is a fantastic little cat who is looking for a home where she'll get the time and patience she needs. Lilly is a chatty girl who loves a fuss and a lap to sit on. She's yet to explore the great outdoors and is looking forward to pottering around a nice garden enjoying the sunshine.

It would be great if you could include Buddy and Lilly Allen in the Bar Hill News, and hopefully help them find the forever homes they deserve. For further information call 0844 248 8181.

BAR HILL HOCKEY CLUB

The club has a modest amount of cash which it would like to offer to support new or existing sporting opportunities for children and young people in Bar Hill.

If you're involved with a team or club or would like to set up a new club to provide or enhance existing sporting opportunities in the village, and would like to apply to benefit from some or all of the funds (around £400), please send an email to our treasurer lindsey.bladen@gmail.com.

Please set out as much information as you can to support your request. We'll need some basic information, such as how much you'd like to apply for, what you'd spend the cash on and some details around the age group(s) that would benefit. Please don't forget to include contact details for someone who can provide further information.

All applications should be received by 31 August 2014.

Dear Residents

The Anti-Social Behaviour, Crime and Policing Act 2014 comes into force fully in October, bringing with it sweeping changes aimed at ensuring those responsible for dealing with anti-social behaviour are putting the needs of victims first.

In future a 'Community Remedy' will give victims a say in the out-of-court punishment of offenders through a list of 'options' to be chosen from. These must reflect the effects on the victim by having either a punitive element, achieving financial or other amends for the victim, addressing the causes of the perpetrator's behaviour, or a combination of these.

In addition to giving victims a voice, the remedy will offer offenders an alternative to going to court and getting a criminal record with the aim of ultimately reducing re-offending.

Before the options are finally decided upon, I am consulting with members of the public, community representatives and local authorities to ask their views. If you would like to find out more about Community Remedy, please go to: http://cambridgeshire-pcc.gov.uk/wp-content/uploads/2014/06/Community-Remedy-Summary_final.pdf. There is also a questionnaire: <http://cambridgeshire-pcc.gov.uk/survey/community-remedy/>. Thank you for your time.

BAR HILL CRICKET CLUB

We had a frustrating month as the weather restricted us to only one league match, against Madingley II. It looked as if Bar Hill would record a victory when they got seven visiting batsmen out cheaply, only for the No 9 to score a century! Adam Dean took 3 for 16 and then scored 34, and his brother Nathan made 47, but Bar Hill lost by 39 runs.

The only game played in the midweek league saw Bar Hill score 156 for 6 thanks to 48 by Sam Clare and 44 not out by Jonathan Barber. Barber then took 4 for 6 and Barry Driver 4 for 7 as Doblbers were all out for 51.

With the youth match against Little Shelford and the Fred Styles Memorial Match (twice) being postponed by the weather, and Saturday rain-offs against Willingham and Milton, that was all the action we saw in the last month.

Fete day saw mostly good weather – thanks to all who bought something at our barbecue.

Youth training sessions will continue at the village green in August, subject to demand, **every Tuesday from 6.30–7.45pm**. These sessions are open to boys and girls aged 8 to 11, or younger by agreement. No experience is necessary as all training is provided by DBS-checked coaches. We also provide all equipment.

Please visit our website at www.barhillcricket.org.uk for more information about the club. We also have a Facebook page and you can follow us on Twitter @BarHillCC

CHURCH MATTERS

KNIT AND NATTER...

...is on Thursday afternoons from around 1.15–3.15pm in the Octagon. We are a friendly and active group that makes a lot of things including hats, scarves and mittens for "Operation Christmas Child" shoe boxes. By joining us, you will meet new friends as well as provide support to organisations that need voluntary help.

We have several outings a year, occasional lunches, coffee mornings, a Garden Party in August and a Christmas lunch.

You don't have to be able to knit; you are very welcome to come and "natter" and enjoy a sociable afternoon. For further information contact Sue Kenchington on 01954 780260.

Everyone is welcome of any faith, or none.

'BRING YOUR OWN' CRAFT GROUP

The group meets monthly on Saturday afternoons in the Octagon, from 2.15–4.30pm. It was started to provide an opportunity for us to spend a quiet couple of hours working on our craft projects in good company, since we often find that we have too much to do at home to devote time to our creative hobbies, despite the benefits we derive from them. We usually leave feeling more relaxed, with the added satisfaction of having made progress on our projects.

We are always happy to welcome new members whether they are experienced crafters or just trying something new, so do come along. Remember to bring the materials and equipment you will need for your craft project. We will provide the company and refreshments. We ask for a donation of up to £1 to cover costs.

Remaining dates for 2014: 27th September; 25th October; 22nd November.

For more details contact either Wendy on 01954 782041 or Sue on 01954 200875.

YOUNG PEOPLE GROUPS

Youth Socials

There is a time to relax, play games (Wii, Pool, Table Tennis) one Sunday per month from 7.15–9.00pm in the Octagon.

Cell Groups

These are groups of young people, meeting once a month, to learn more about the Bible and the Christian faith.

Cafe Church

As an alternative to sitting in the Sunday morning service, the children & young people meet in the Octagon on 1st and 3rd Sundays, for breakfast and a learning activity.

Young Peoples Evening Worship Service

This informal service is for adults and young people and uses contemporary music and format. This is held from 6.30–8.00pm on the 2nd Sunday of the month, starting with cake and drinks!

For more information on any of these events contact Heather at familysmeth@ntlworld.com.

BAR HILL CHURCH HOMEGROUPS

At Bar Hill Church we have six small groups who meet regularly both weekly and fortnightly, with a mixture of evening and daytime meetings. We hope that the groups facilitate discipleship, mission, fellowship, evangelistic outreach and pastoral care. We study a variety of popular biblical material; recent studies have included bible studies on the books of Romans and John as well as deeper insights in to the topics of prayer and worship. The current topic of study is 'praying through the Psalms'.

If you are interested in joining in the fellowship of a small group within the village please contact me at the Bar Hill Church office to discuss placing you in a suitable group.

With Blessings in Christ

BAR HILL FOOD BANK DROP-OFF

Did you know there are currently 13 million people in the UK living below poverty level? Cambridgeshire may appear wealthy, but local Food banks, part of the UK-wide Trussel Trust, have seen a massive increase in demand in the five years since their introduction here.

Food banks were developed to give local people three days' worth of emergency food distributed through a voucher system at times of urgent need.

Bar Hill Church has a drop-off box for donations in the main church foyer. If you'd like to contribute tinned, dried or non-perishable food, the Church is open on Mondays, Wednesdays and Fridays from 0930–1230.

We have lists of suitable foods on the church notice board, or you can get more information at cambridgecity.foodbank.org.uk.

Many thanks.

THE COFFEE STOP...

...takes place every Wednesday from 10am–12 noon at the Library. Coffee, tea and biscuits are served.

An opportunity to meet old friends – and new – for a chat.

Everyone is welcome. We support the "Friends of the Library" in making good use of this valuable resource and keeping it open for everyone.

We look forward to seeing you!

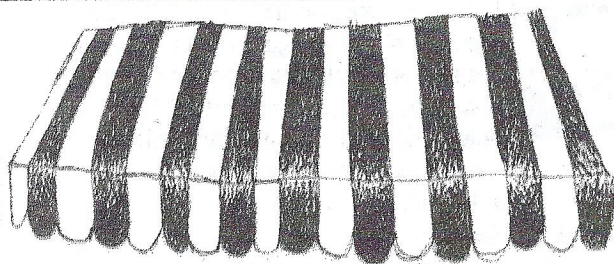

THE BIBLE

There are 66 books in the Bible; 39 in the Old Testament and 27 in the New Testament.

The 66 books are divided into 1,189 chapters, consisting of 31,102 verses. In the King James version, the Old Testament has 929 chapters, the New Testament 260.

The King James Old Testament contains 592,439 words; the New Testament 181,253 words.

OVER DAY CENTRE

Recently the Day Centre bus has been taking the elderly in the village to the Methodist Church Hall on the 4th Saturday of every month for a **home cooked lunch**. This has worked very well and benefits the whole community.

The Day Centre celebrates being open 25 years in **September**. If you've had any connection with the Day Centre over the years, we would love to hear your stories and memories.

We will be holding a **Harvest Fayre** on 1st October – an afternoon to buy cakes, preserves, pies and much more... not forgetting tickets for the quilt, which will be raffled on 12th December.

If you would like to find out more, you can call any of the Childminders listed below or just come along to our 'Little Bunnies' session on Thursdays to meet us all (details below).

Includes soft drinks and healthy snacks for the children, hot drinks for the adults. We have a large range of indoor and outdoor toys.

GIRLGUIDING IN BAR HILL

This term has seen the Guides out and about taking advantage of the green space around the village. We have enjoyed outdoor cooking, trail setting, and completed an exercise with putting up tents. The Unit will be camping in a few weeks, and we plan to complete the Big Brownie Birthday Challenge over that weekend, including a campfire – with gloop and smores – always a favourite! Activities, indoors and out, have included a mix of international crafts, making a farm of Origami animals, completed Manga drawings, and we have made robots out of junk. We finish the term with a water night, and are off camping again at the start of the summer break for a water activities camp.

Why not come and join in the fun?

Girlguiding units currently meet weekly in Bar Hill: Rainbows (age 5–7) Monday and Wednesday, Brownies (age 7–10) Tuesday and Wednesday, Guides (age 10–14) Wednesday, and Senior Section (14+) meet monthly.

If you would like to volunteer, or your daughter wants to join us having fun in a girl only environment, please go to www.girlguiding.org.uk/interested.

For more information about local girlguiding, please phone 01954 203322 or email Di Gunton, Bar Hill District Commissioner, at di@theguntons.com.

WILLINGHAM & LONGSTANTON SURGERIES

Willingham: 01954 260230; Longstanton: 01954 207600;

Dispensary: 01954 260073

Website: www.willinghammedicpractise.nhs.uk

Surgeries are closed on August Bank Holiday Monday 25th August. Normal opening Tuesday 26th.

Repeat medication – please be aware that neither A & E departments nor Urgent Care Cambridge and 111 can dispense repeat prescriptions. Please check your supplies and order from our dispensary in plenty of time to collect before the weekend and bank holidays. We need 48 hours notice in order to comply with legal requirements. Ring 01954 260073 or leave your repeat prescription order form at either Willingham or Longstanton surgery. You can also order your prescriptions online so ask dispensary for details of how to register for this service.

Please sign our Petition – deadline 12th August: PUT PATIENTS FIRST: BACK GENERAL PRACTICE CAMPAIGN. You may be aware from the media that GP surgeries are to suffer annual funding cuts. Despite carrying out 90% of all NHS patient contacts, general practice only receives 8.39% of the UK NHS budget; this is projected to plunge to just 7.29% by 2017. To protect high quality services for patients, a petition has been launched by the Royal College of General Practitioners and the National Association for Patient Participation. A copy is available at our reception desks in Willingham and Longstanton surgeries. We urge you to sign up if you agree. To read more about this, visit www.putpatientsfirst.rcgp.org.uk. You can sign online. If you really want to make a difference please take the time to write to your MP.

Going to University this September? Ring and book a telephone consultation with one of our practice nurses to check you are up to date with your immunisations.

Abdominal Aortic Aneurysm (AAA) is a condition where the aorta (the big blood vessel which takes blood from the heart around the body) weakens and swells as we get older. It could potentially burst with fatal consequences. For more information visit:

www.aaa.screening.nhs.uk or NHS Choices:

www.nhs.uk. Men aged over 65 years are more likely to have this condition and are eligible for free screening. You will receive an invitation letter in the year that you turn 65. If you are over 65 and have not received an invitation, you can request a scan by contacting 01223 256909. NHS AAA screening clinics for this area are held at Willingham Surgery every two months: a simple ultrasound scan that lasts less than 10 minutes.

Missed appointments in June = 119. Please inform us so we can re-book unwanted appointments.

REPORT FROM COUNTY COUNCILLOR JOHN REYNOLDS

Cambridgeshire says 'tar' to nearly £2million extra pothole fund

Cambridgeshire roads are about to get an extra £2 million to fix potholes after a successful bid to Government. This is in addition to the £1,531,297 the council was awarded in March this year to help repair potholes following the bad weather. This is great news. The money will be well spent repairing our roads and paths. Fixing potholes is a continuous job for the authority and is vital to keep Cambridgeshire moving. Billion pound signing for innovative city deal
An innovative City deal that could see a billion pound investment in the Greater Cambridge area has been signed by Government, Council leaders, businesses and the University of Cambridge. The signing is the latest step in securing potentially hundreds of millions of pounds of extra money that will be invested in improving transport and facilitate housing delivery in the Cambridge and South Cambridgeshire area. This is a game-changing deal for Greater Cambridge and the surrounding County. It will see a step change in transport infrastructure, create jobs and boost the local economy. The success of this will also be felt outside the Cambridge area so all our communities will benefit.

Bump in the perimeter road?

I have had a number of emails from concerned local residents about the ever larger bump near the junction with The Brambles. This area was resurfaced about six years ago but the bump has returned. Have you been affected? I am chasing Highways for action. Please contact me with your views at the e-mail below. As Your County Councillor I welcome hearing from you on these and/or any other issues that affect our community. A full report on outstanding issues from the County Council is available by e-mail.

COUNCILLOR REPORT: AUGUST 2014

In these times of financial stringency, South Cambridgeshire District Council has been able to make £5 million worth of savings over the last few years, and £650,000 in the last year, while maintaining high-class local services. It is acknowledged that it is one of the best run of district councils and its Council Tax remains one of the lowest in the country. To maintain this position, and in the light of the continued reduction in government grants, the Council will share services such as computer support, building control and legal support with Huntingdonshire District Council. Discussions are also taking place with regard to sharing refuse collection facilities with Cambridge City Council with the City relocating its depot to South Cambs. depot in Waterbeach, freeing the present depot for housing. These will save nearly a million pounds a year.

South Cambridgeshire, and the Bar Hill Ward in particular, is one of the best places in the country in which to live. With regard to the Bar Hill Ward:

- Its population is 5,048;
- Its mean age is 41, one year more than the whole of South Cambs;
- It has 2,130 households, with 804 owned outright and 903 by way of a mortgage or loan (80%);
- Only 61 residents have never worked or are long-term unemployed;
- 1,469 (34.9%) residents have achieved level 4 qualifications (degree or equivalent) compared with 27.4% nationally;
- 86.5% of residents are in very good or good health.

As chairman of the Bar Hill Residents' Association and a member of Bar Hill Parish Council, I strongly support a new skateboard ramp for the young people of Bar Hill. The condition of the previous one was deteriorating and had to be demolished as it was potentially unsafe.

At this time of year, thefts from garden sheds and garden ornaments increase. The police are targeting villages where there is a high incidence of this. Also, this is the season when distraction burglaries frequently take place. One South Cambridgeshire resident has been fined £2,000 for dumping an old sofa in a country lane, the council's policy being to prosecute such offenders.

Last year, measures by the Council prevented 158 families becoming homeless. In addition, it maintained its position of having one of the highest Council Tax and rent collection rates in the country. A pilot scheme has been devised so that older people can continue to live independently in their own homes. If successful, it will be expanded to cover the entire district.

HEALTHY LIVING, HEALTHIER LIFE – REPORT

The Maple Surgery and its Patient Participation Group recently organised a very successful health awareness evening on the theme of "Healthy Living, Healthier Life". More than 80 people gathered in the church hall to hear three expert speakers. Dr Leonard Shapiro is a cardiologist from the world-famous Papworth Hospital and a medical adviser to the Football Association. He spoke on the topic "What Makes Your Heart Healthy?" and explained that heart disease is caused by arteries becoming blocked by fat deposits, a process that begins in early adulthood. He said that a number of lifestyle choices can have a negative effect on heart health, including smoking, inactivity and obesity. Lesley McFarlane is a nutritionist and weight management expert. Her talk was titled "Eating Well, Living Well" and she began by explaining how diet can affect health. Over-eating by just 100 calories a day (a single biscuit!) can increase your weight by half a stone a year. Obesity raises the risk of many diseases, including cancer and diabetes, but even moderate weight loss can help – losing just 10% of your weight can give benefits. Simon Gurry is a local fitness trainer. He talked about the causes of poor posture, and how it can lead to symptoms such as shoulder pain and headaches. He invited the audience to try a series of simple exercises that can help to relieve the effects of a common type of poor posture called upper cross syndrome.

After the talks, refreshments were provided and the audience had the opportunity to visit information stands set up by Weigh2Go, Bar Hill Health Walks, Slimming World and the Waves Health Club. In addition, Maple Surgery practice nurse Elizabeth Edunsin was on hand to offer blood pressure checks. A full account of this event will be available on the PPG's web site: www.maple-ppg.org. The PPG plans to hold more health awareness events.

– BAR HILL COLTS FOOTBALL CLUB NEWS – FOCUS ON THE BAR HILL LIONS U8 TEAM

Lions Under 8 team enter the Mini Soccer League

From September our Bar Hill Lions team will enter the Mini Soccer league for the first time, playing 5-a-side matches as Under 8s. The team was formed 3 years ago when the children were in Reception year at school. Since then, they have been attending weekly training sessions to perfect their football skills and improve their co-ordination, as well as having a lot of fun playing friendly matches against various other local teams in their age group. Each child has improved immeasurably to become a valued member of the team.

This is more than demonstrated by the number of players that have been scouted at various friendly tournaments we've participated in, to be part of one of the grass roots Regional Development Centres. For example, several of our players now also train with the Cambridge United Regional Development Centre once a week to further improve their football skills. We also have one player that will be training with the Norwich RDC.

The Lions are now looking forward to playing regular Saturday league matches when the season starts in September, your support on the Bar Hill Village Green to cheer the players would be most welcome.

We asked our players what it means to them to be part of the Lions team:

"We are all great friends and have brilliant times together!" (Tom)

"Even though I don't live in Bar Hill, I feel very welcome and have made some good friends." (Hayden)

"I get to play with great players and we win most of the time!" (Theo)

"The team is wonderful and we get to play football with our friends" (Luca & Rocco)

"I enjoy training, learning new skills and playing matches!" (Aidan)

"It's really fun and I get to learn new skills." (Graydon)

"It is fab, fun and great being part of the Lions as it helps me to be a real footballer." (George)

"I've been able to make lots of new friends and play good football" (Santino)

"It's great fun to play as a team with really good friends." (Ben)

Bar Hill Lions team Host July Mini World Cup Tournament

After the success of a mini tournament the Lions team hosted last year, we decided to host a Mini World Cup Tournament on the village green in early July, so the children could feel part of the action of the World Cup Brazil 2014.

We attracted several other local teams to the event and mixed all the children together into 11 different countries. Six pitches were marked across the green, each pitch having a unique set of football rules to add an extra element of fun for the children, such as "back to back" goals in the middle of the pitch, for example. The children loved it. As well as flooding the green with Brazilian samba music for a few hours for some extra World Cup flavour, we also had free face painting so the children could have national flags painted on their faces. After the matches, all players and referees were awarded their own World Cup medal to help remember the day. The cost of the medals was kindly borne by the Bar Hill Colts club.

Interesting...

At a glance, the Celsius scale for temperature measuring makes more sense than the Fahrenheit scale.

But its creator, Anders Celsius, was an oddball. When he first developed his scale, he made freezing 100° and boiling 0°, or upside down.

No one dared point this out to him, so fellow scientists waited until Celsius died before changing the scale.

AUGUST BULLETIN FROM CAMBRIDGESHIRE FIRE AND RESCUE SERVICE

We have seen some lovely weather across Cambridgeshire – long may it continue!

Cambridgeshire Fire and Rescue Service hopes you have all been staying fire safe with your latest outdoor activities, but just in case, here are our firefighters' top tips:

- When out camping or using a tent, never use candles inside or nearby and always discourage smoking nearby. Never cook inside a tent either.
- If cooking outdoors, keep barbecues on level ground, never pour accelerant on and keep well away from fences, sheds and foliage.
- If you are having an open fire, build it well away from buildings, tents or other flammable objects and make sure it is properly out when you leave.
- When out in the countryside, extinguish cigarettes properly and dispose of them responsibly – never throw a lit cigarette into a field or wooded area.

MESSAGE FROM YOUR LOCAL PCSO

I hope you all had a good time at the Village Fete on 5th July, and I'm glad the weather kept fair. There were no incident reports in relation to Bar Hill Fete this year, which is good news.

On June 20th a group of 30-40 youths gathered at Bar Hill Skate Park in the evening to drink alcohol. Some were under age and alcohol was seized. Follow up visits will be made to the parents of those who are under age.

On 5th July two display mobile phones valued at over £500 were removed and replaced with dummy phones at Tesco Bar Hill. A member of the public reported the suspects to store security officers. One was detained and arrested by police on suspicion of theft.

On 6th July, criminal damage to a vehicle took place at The Spinney, Bar Hill. A couple, believed to be drunk, was seen arguing in the street. A loud bang was heard and the following morning a small dent was discovered in a vehicle, possibly due to being kicked. If you saw this happen, please get in touch. Call 101, quoting crime reference number: CF0253320714.

If you have any information to assist with any of the above, or you need to speak to me for any other reason, please get in touch by emailing bujar.mani@cambs.pnn.police.uk.

CARERS AWAY DAY – FRIDAY 3rd OCTOBER

10am to 4pm

MARRIOTT HOTEL, HUNTINGDON

Do you care for someone? A carer is a person of any age, adult or child, who provides unpaid support to a partner, child, relative or friend who could not manage to live independently, or whose health and well-being would deteriorate without this help. Those receiving this care may need help due to frailty, disability or a serious health condition, mental ill health or substance misuse.

Cambridgeshire's Carers Away Day is a free annual event providing carers with the opportunity to take part in informal discussion groups with expert speakers, relax, get creative and have fun by taking part in a range of activities. There is a marketplace of information and advice stands. Lunch and refreshments are provided.

This is an opportunity to meet other carers and share your stories and experiences. Places are limited so please book early to avoid disappointment. To book your place contact the Carers Support Team on 01480 377616 or e-mail:

CarersSupportTeam@cambridgeshire.gov.uk. There may be support for carers to attend, so please ask for any assistance you might need to enable you to come.

For more information about the day visit www.cambridgeshire.net.

CELEBRATING 40 YEARS OF RAMBLING

Comberton Ramblers is a local walking group formed in 1974. Ten members attended the inaugural walk from Toft to Caldecote on 30th June that year. The annual subscription was £1 per family or 50p per person; subscription from 1st September 2014 will be £8.50 – excellent value.

We are a friendly and welcoming group of 48 members from local villages. Walking on alternate Sundays, we cover Cambridgeshire, Hertfordshire, Suffolk and Essex. After a walk of around 4–6 miles, we often socialise in a warm local pub! We all enjoy walking in this beautiful area, which is blessed with a variety of countryside from woodlands and rivers to the Fens. Over the years we have been amazed at the wildlife that exists on our doorstep – deer, birds of prey, butterflies, wildflowers.

Happy Rambling and a very Happy Birthday to Comberton Ramblers.

For further details on how to join our group, please see our website

www.combertonramblers.org.uk or contact Stella at stella.ramblers@hotmail.com.

CARE NETWORK CAMBRIDGESHIRE is a local charity supporting older and vulnerable people. Our vision is a Cambridgeshire where people at risk of isolation, loneliness or depression feel supported in their local community and stay healthy, happy and independent for longer. Charity N°: 1120693.

There will be a longer, more informative piece on Care Network Cambridgeshire in next month's Bar Hill News, including contact details.
